We would like to recognize the financial support provided by the community-minded businesses you see on this map. The enthusiastic support of these local businesses is vital to keeping this a free event for the participants. Please show your approval by frequenting these businesses when the opportunity presents itself. Organizations like the Mount Prospect Chamber of Commerce and the Mount Prospect Downtown Merchants Association promote local businesses and the concept of businesses supporting and participating in their communities. These businesses and organizations are responsible for fostering an environment of community and is one of the many reasons Mount Prospect's motto is "Where Friendliness is a Way of Life."

See you next year!
